**MINISTRY OF STEEL AND MINES****(Department of Iron and Steel)****Iron & Steel Control****PUBLIC NOTICE***Calcutta, the 16th September 1965*

SUB. :—Imports from U.S.A. and AID Loans No. 217, 082, 103 & 157—Certificate of U.S. Source and Origin.

No. 1/6-1/65 Vol. II—Attention is invited to Public Notice No. 1/1-36/64-Vol-I/B dated 13-11-64, Annexure IX of Public Notice No. 1/7-1/65, dated 2-1-65 and Public Notice No. 1/6-6/65, dated 15-2-65, regarding the revised form of Certificate of U.S. Source and Origin. It has been clear therein that this certificate is applicable in respect of all orders placed on or after 1st October, 1964. The importers were requested to ensure that, while furnishing the prescribed documents to the Ministry of Finance (DEA), New Delhi (for the purpose of claiming reimbursement from AID, Washington, of the foreign exchange incurred by them), the relevant invoices are invariably accompanied by the certificate of source and origin duly filled in and signed by the suppliers. It has been noticed that this requirement is not being complied with in many cases and documents are being sent to the Ministry of Finance without these certificates. Even where such certificates have been furnished, it has been found that the suppliers are not filling in the applicable AID Geographic Code number in the two blank spaces provided for the purpose. In the absence of such certificates of U.S. source and origin complete in all respects, the Ministry of Finance are not in a position to obtain from U.S. AID, Washington, reimbursement of foreign exchange, already remitted from Government's free resources. This results in protracted correspondence with the importers for rectification of the deficiencies.

2. It is notified for the information and guidance of all concerned that the applicable AID Geographic Code number to be inserted in the two blank spaces of the certificate of U.S. source and origin is '000'. The importers should immediately review all orders placed by them on or after 1st October, 1964 against licences issued under AID programme and inform the suppliers concerned forthwith, if not already done of the imperative need to furnish along with the other prescribed documents, the certificate of U.S. source and origin in the form published as an Annexure to this Public Notice duly filled in, including the AID Geographic Code number as indicated earlier. They should also advise their bankers to amend the relevant letters of credit already opened, so as to provide specifically for furnishing of the said certificate of U.S. Source and origin by the supplier, duly completed in all respect, if it has not been done already.

3. In cases where imports have already taken place and the certificates of U.S. source and origin in the prescribed form have not been furnished, importers should immediately get in touch with the suppliers and obtain the certificates and furnish them to the Ministry of Finance (E.A.D.), New Delhi within two months from the date of issue of this Public Notice.

4. The Importers are hereby requested to note that serious notice will be taken of any infringement of the conditions of this Public Notice.
